MEMORANDUM

Re: P&R Item 5(a)- Dock Waitlist Process

Date: March 15, 2022

Tim Amundsen, Public Works Superintendent

To: Parks and Recreation Commission

From: Nalisha Williams, City Clerk

The Council addressed a Dock Waitlist Request at their February 22, 2022 City Council meeting. The applicants applied to be on the waitlist in 2016 when they purchased their house in Excelsior but have not resided in it. At this meeting, the Council denied the applicant's request to remain on the waitlist based on the applicant's non-resident status. The Council communicated with the applicants that they are eligible to apply for a spot on the waitlist when they can prove residency.

Prior to 2021, residency was not verified until the applicant was at the top of the waitlist. Applicants would submit their waitlist form to staff and if they had an Excelsior address, they would be added to the list. Due to the increased awareness of this topic, staff has received feedback from the public regarding the number of non-residents on the waitlist. Staff is currently in the process of verifying residency of applicants on the waitlist. The waitlist verifications were sent out at the beginning of February. This process includes submitting a copy of one's drivers license with their verification form. As a result of this verification, there are about 20 applicants that will be removed from the list based on non-residency or a lack of interest in renting a dock.

At their February 22, 2022 City Council Meeting, the Council directed staff to bring additional discussion on the dock waitlist eligibility to the Parks and Recreation Commission. The following waitlist situations have been brought to staff's attention:

- Can an applicant remain on the waitlist if they sold their house in Excelsior and moved to another house in Excelsior but they do not have an updated license?
- Can an applicant remain on the waitlist if their driver's license is registered to another state but they have other documents (ex. Vehicle registration) to prove Excelsior residency?
- Can an applicant remain on the waitlist if they have sold their Excelsior house and they are building another house in Excelsior but are not currently residing in Excelsior or plan to rent temporarily?
- What documents should be accepted as proof of residency?

Staff is recommending that residency verification take place at the time of the application and when the applicant comes to the top of the list.

Action:

The Commission should discuss the following situations and determine the process of residency verification.

MEMORANDUM

P&R Item 5(b)- Excelsior Men's Garden Club

Re: Gazebo Proposal

Date: March 15, 2022

Tim Amundsen

To: Parks and Recreation Commission

From: Public Works Superintendent

The Parks and Recreation (PNR) Commission was tasked with developing concepts for the Water Street-Oak Street Gateway. Once discussed by the City Council, the feedback for the Gateway project included having the landscaping be more native and natural and scaling back the size of the project from the initial \$300,000+ concepts that were developed. This would tie into more recent plantings throughout the City- more specifically along Lake Street at The Commons and the new Trailhead project. Members of the Excelsior Men's Garden Club also discussed their desire to provide a monetary donation to improve the site at a recent PNR meeting.

The PNR Commission had asked staff to gain additional feedback from the City Council regarding the scope of the project. The City Council discussed the Water-Oak Street Gateway at their November 15th Work Session. In general, the Council wants to wait on major upgrades until the area (Huntington Bank Property) has been developed in which major improvements could be funded by a developer.

Long-term, the Council wants more of a mix of plantings that are beautiful and sustainable. The Council also wants the PNR Commission to help form a relationship between the Men's Garden Club and the UnCommon Garden Club who has been doing work at The Commons and the new trailhead.

The City Council tasked the PNR Commission with working on the following items:

- Repairing the gazebo structure
- Minor lighting enhancements
- Upgrades to the seating within the gazebo
- Possibly a blade sign (similar to the trail)
- The City Council was not supportive of a sculpture concept

Recently, the Excelsior Men's Garden Club have provided a proposal to do work on the existing gazebo structure. The proposed scope of work would be funded by the Excelsior Men's Garden Club and is attached to this memo.

Action:

Discuss and determine whether to support the proposed scope of work for the existing Gazebo structure from the Excelsior Men's Garden Club.

Date: March 8, 2022

To: Tim Amundsen

From: Excelsior Men's Garden Club

Re: Gazebo - Paint and make minor repairs as necessary.

PROPOSED SCOPE OF WORK

- Remove and replace Lattice as necessary.
- Powerwash entire structure.
- Replace horizontal pieces as necessary.
- Provide some new benches.
- Provide some new flower boxes as necessary.
- Paint structure - City to provide Paint.
- Garden Club will provide Materials and labor.

MEMORANDUM

P&R Item 6(a)- Commons Ballfield Scheduling

Re: Policy

Date: March 15, 2022

Tim Amundsen

To: Parks and Recreation Commission

From: Public Works Superintendent

The Parks and Recreation (PNR) Commission discussed the Ballfield Review Policy at the October PNR Meeting in 2021. It was determined that staff would attempt to work with the entities for the 2022 season in hoping to accommodate all organizations and the PNR Commission would focus on developing a new policy over the early months of 2022 to implement in 2023.

Chair Wolfe and Commissioner Mehlhoff have had extensive discussions with the organizations to better understand the needs of those that would like to utilize the ballfield. Commissioner Mehlhoff has revised the draft policy language following the January 11th PNR Meeting. The updated draft policy language provided at the February 16th meeting is as follows:

City of Excelsior Commons Ball Field Rental Policy

Individuals and organizations are able to reserve the Excelsior Commons Ball Field by submitting an application to the city. Applications are accepted at earliest November of the previous year and a minimum of 30 days out from the requested date. The city will grant reservation slots with a seniority to those individuals/organizations that had the same slot the prior year. Organizations regularly found not to be using the field for reserved times may have their reservations removed and be deprioritized for the future season. Requestors agree to abide by all city policies.

Chair Wolfe and Commissioner Mehlhoff have continued to work on the form and policy following the February 16th PNR Meeting. They have come up with the following proposal for two ways the applications can be decided:

A. Based on the below proposed criteria, in the exact order:

- 1. Same time slot as previous year*
- 2. Organization address within Minnetonka School District*
- 3. Percentage of participants within MKTA district*
- 4. Size of organization (larger, higher priority)*

B. Decided by the Park Board, signed off by the Mayor with the above factors being considered but the Park Board has decision power for it. This would allow us to weigh answers to questions like "Would your group be able to make any contributions to the ball field?" and prioritize group that would potentially donate money for ball field upkeep. These factors are subjective so would need to be discussed and decided as opposed to the first method which would be impartial.

Commissioner Mehlhoff and Chair Wolfe are also seeking clarification as to what wording should be used for "leave it like you found it" so it's clear what we expect of the users. Would the City provide tools or equipment for them to prep the field for the next group?

Changes to application form following review at the February meeting are as follows:

- * Added dates of application (Oct 1 - Nov 15, after that first come first served)
- * Added organization address
- * Added qty of participants and percentage within Minnetonka school district boundary

Action:

Review the options for how the applications can be handled and the form to further develop The Commons Ballfield Scheduling Policy.

Before submitting your application be sure to check the availability of dates by contacting the City Event Coordinator, Amy Edwards, at eventfullyoursmn@gmail.com or (623) 451-0887.
